

## **Consumer Information:**

CMP funds may be used to develop and disseminate information that is directly useful to nursing home residents and their families in becoming knowledgeable about their rights, nursing home care processes, and other information useful to a resident. For example, developing educational materials (e.g., flyers, brochures, booklets, web-based materials, etc.) to promote awareness of the unnecessary use of psychotropic medications, facility requirements or residents' rights related to discharge, advance care planning, etc.

The goal of these materials is to help consumers understand the risks associated with administering these medications, raise awareness of their rights to consent to treatments, and promote the use of nonpharmacological interventions to improve the quality of life and care for residents diagnosed with dementia.

**Maximum project funding per nursing home-\$5,000 (one-time funding)**
